CURVE CLUB CHAIR
DG-50677

Sculptural and elegant, the Curve Chair takes inspiration from mid-century Italian design, yet its plinth base—in maple or metal with an optional swivel with upcharge—makes it distinctly American and quintessentially Donghia. The piece comes with welt and has a standard reversible seat cushion. A high, relatively shallow seat makes the Curve a coveted addition to any setting.

Upholstered chair with tight back and loose seat cushion. Seat cushion is premium fiber/foam construction with no feather or down. Comes standard with welt around the back, down the front, on the seat cushion, and at the seam details on the inside tight back. Available in all standard finishes on maple or metal finishes in Brushed Bronze, Brushed Gold or Satin Smoke.
