WATERWORKS
kravetsoleil

For more than three decades, Waterworks has transformed the bath and kitchen through an absolute commitment to design authenticity, innovation and quality. From each fitting, fixture, surface and accessory, Waterworks creates a complete design experience that reflects its clients' vision for themselves and their worlds.

Waterworks Collection II for Kravet Soleil has redefined elegant performance fabrics with stylish and durable options for outdoor or indoor use. Featuring sophisticated designs infused with stripes, terries, waffles, matelassés, jacquards and textured solids in rich colors, Waterworks fabrics are the perfect complement to any environment.
