No Small Change (above) Behind the main Residence, the guest cottage underwent a head-to-toe transformation. **Fresh Take** (left) Benjamin Moore's Polo Avocado ceiling paint, through King's End, works well against Schumacher's hardware featured Shiba wallpaper on Oakley sink and faucet. **Make Over** and rice-hood, Distoni's Calien countertop from Ring's End and wide plank wood floor from SoCo Loom Millworks are improvements with staying power.
