STYLES SPOTLIGHT

Modern Tibetan
 Debonair is one of 11 new additions in modern colors and styles to the Custom Tibetan Carpet Collection at Kravet. As the name suggests, everything in the collection can be custom-ordered in any size and color. Kravet's Tibetan carpets are made in Nepal. Kravet Fabrics & Furniture, Inc., Suite 401, 212.725.0340, kravet.com

Fringe Benefit
 The Fringe Console, designed for Brueton by J. Wade Beam, is a unique wall console melding traditional influences with modern aesthetics and technology. The undulating stainless-steel apron, trimmed horizontally in stainless-steel fringe, provides a sensuous architectural appeal. Brueton, Suite 1502, 212.638.1630, brueton.com

Sail Back
 Hailing from Norway, the Spinnaker Chair at Dennis Miller Associates was inspired by the curvature of the cruising sailboat. Shown in the most popular design, black leather, it is also available in a variety of combinations, including sail or fabric backings with the option of complete customization, and an ottoman. Dennis Miller Associates, Suite 1210, 212.684.0070, dennismiller.com

Luxury Liner
 Designed for Bolliers & Company by Richard Mishaan, the Modern Luxury Credenza is made of Macassar ebony veneer with a black Marquina marble top and brass accents. Bollier & Company, Suite 1216, 212.684.0070, bolliercos.com

S.A. BAXTER

This Ornate Patterned Doorknob from S.A. Baxter is flexible enough to suit classic, rustic, or contemporary applications. It is shown here in dark antique bronze, one of 26 finish choices. Made by Baxter In New York, S.A. Baxter Architectural Hardware, Suite 1205, 805.407.4975, seabaxter.com

ODEGARD

For her Pangder Collection, one of Stephanie Odegard's signature carpet designs, colorful hand-woven flat weaves are sewn together to create mismatched stripes and patterns inspired by the aprons handmade by Tibetan women traditionally wear over their dresses. Made from hand-carded, hand-spun Himalayan wool. Odegard, Inc., Suite 1206, 800.470.8836, odegardinc.com

BRIGHT

The Preston Side Table, from the Douglas Jennings Collection, was inspired by an 18th-century French "Guaridon" table. Details include hand-drawn, tapered stem and saber legs that are hand-cut and wetted, not cast. The table was finished in polished nickel to give it a glam look, and the top was made from mercury mirror to pay homage to its traditional roots. The Bright Chair Company, Suite 902, 212.726.9030, brightchair.com

KRAVET

Maiko is from the Custom Tibetan Carpet Collection at Kravet. In addition to traditional wool and silk combinations, Kravet's Tibetan carpets are now available in wool and banana silk. Banana silk is made from the stalk of the banana tree and offers a similar sheen and texture to traditional silk for price-conscious budgets. Kravet Fabrics & Furniture, Inc., Suite 401, 212.725.0340, kravet.com
