L'Atelier Moderne Collection

L'Atelier Moderne Collection

Curated from the rich heritage of Brunschwig & Fils, L'Atelier Moderne radiates with chic ingenuity, where current fashion meets enduring design. This eclectic collection is Brunschwig & Fils' most glamorous yet, drawing its inspiration from designs ranging from the Italian Renaissance to French Art Deco to Mid-Century Modern. The collection offers a range of exquisite fabrics and trimmings meant to work together in inventive and expressive combinations.

Decidedly French and impeccably handcrafted, Brunschwig & Fils' newest furniture silhouettes offer shapely and sophisticated styles with a note of modern sensibility.
