THE GREAT ROOM

Creating livable luxury by mixing function with fashion, Kravet's new Great Room collection offers a fresh way to live.

Geared for great room dining and entertaining, the collection features quarter sawn oak in eleven finishes. Choose from several sizes of round iron or oak pedestal tables with oak or glass tops, a large rectangle with solid oak top, bar stools, a banquette and dining chairs.

Personalize your seating designs on select pieces with dozens of custom options, including a variety of frames, depths, arms, backs and bases.

For entertaining, select from a media cabinet with bookcases designed to display, store or serve. The mirror back bar can be customized with beautiful oak bifold doors or lightened with grasscloth options. Metal accents in soft brass and satin silver complete the details of this beautiful group where form meets function and easy living.
