Azucar - Teal
Wool & Artificial Silk

“Named after its “sweet” inspiration, Azucar – “sugar” in Spanish – imitates the unique discolorations and patterns left behind at the abandoned Domino Sugar refinery in Brooklyn, New York.”

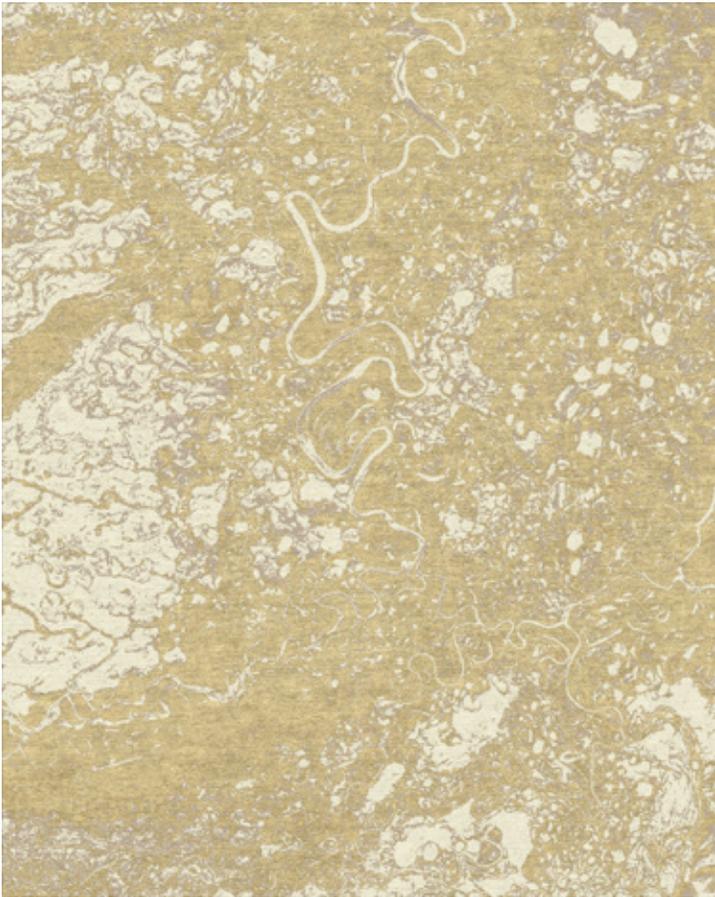

Henna - Azure
Wool & Silk

Henna - Indigo
Wool & Silk

“Reminiscent of a Mehndi ceremony in India – a traditional pre-wedding ritual at which a henna artist or a relative applies an intricate design to the bride’s hands and feet – Henna emulates the beautiful and ethnic-inspired artwork of its namesake.”

Moon - Caramel
Wool & Silk

Moon - Slate
Wool & Silk

“Mimicking the distinctive tactile texture of the Moon’s surface, Moon’s unique pattern was inspired by unusual crater designs and depressions.”

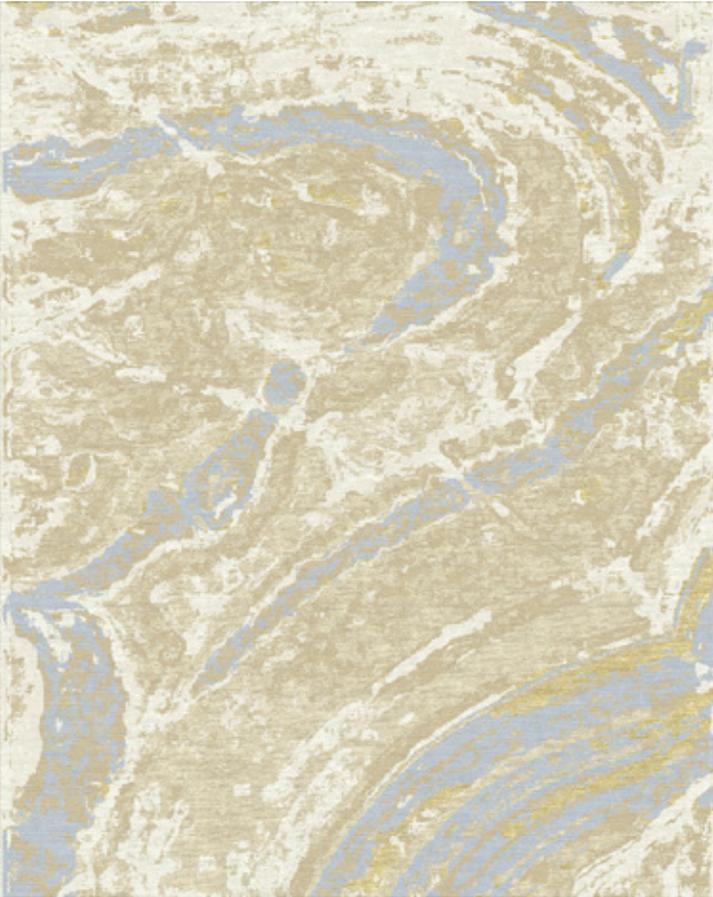

Ocean - Cerulean

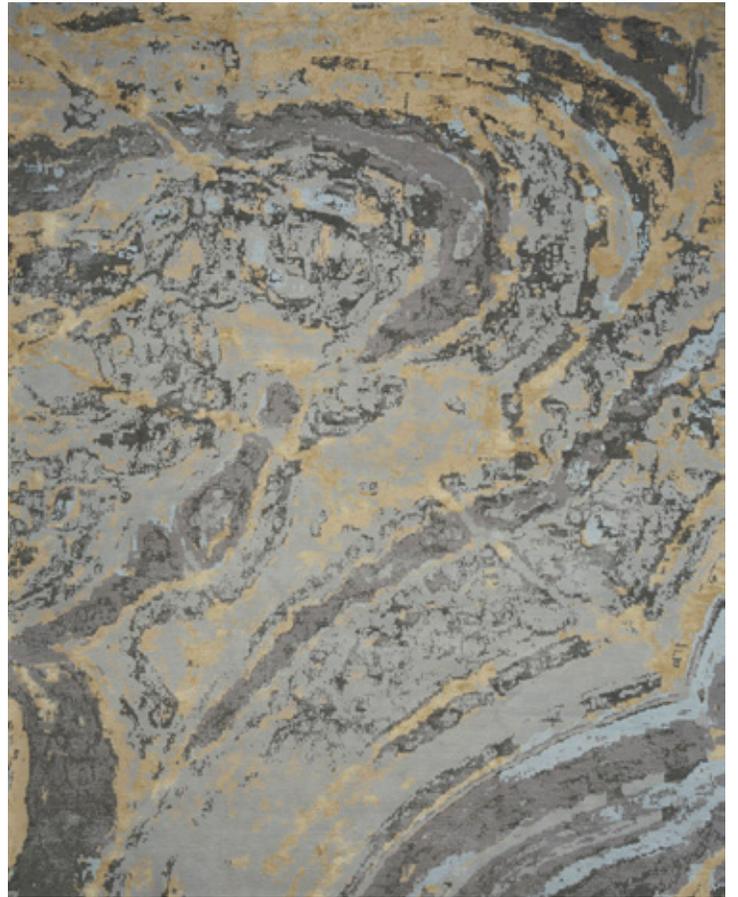

Wool & Silk

“The rippling waves of the turquoise sea inspired Ocean, which flows beautifully and freely in a subtle yet striking design.”

Onyx - Aurous
Wool & Silk

Onyx - Sea

*“Variations in color and line formations
in natural stone inspired Onyx.”*
