# ROBERT BROWN

FOR MACRAE

Robert Brown, well-known in the fashion and textile industry for creating smart, sophisticated interiors, brings his focus on tradition and modern spirit to his new furniture collection for MacRae. Respected for his unique sense of color and attention to detail, Brown's interiors are classically based with a nod to modern functionality. He was named Southeast Designer of the Year by the Atlanta Decorative Arts Center and Veranda magazine. We're pleased to present these classically inspired designs in warm wood tones and painted finishes. At home in both traditional and contemporary interiors, Brown's graceful silhouettes seamlessly mix modern and antique.
