SUB-CARRIER STYLES

Pinch Pleat Carrier

PPC

Ripplefold® Carrier

RC

FEATURES/OPTIONS:

- Ultimate in home convenience
- For light to heavyweight draperies; Up to 36ft and 132 lbs
- Control single or multiple motorized draperies using the same remote
- Easy installation- Motor can be installed to the right or left side of the track
- Standard or inverse motor mounting available with 10 ft cord
- Belt driven track
- Motor design and the use of a timing belt provides quiet operation
- Automatic or adjustable settings
- Manual override; Disengages motor when adjusted manually- ideal for power outages
- Soft start and soft stop; adjustable speeds
- Patented cover design conceals unsightly cables and protects the connectors and control modules inside the motor
- Plug-in modules adapt to various technologies to easily integrate with home automation systems
- Patented flexible master carrier reduces friction and is adaptable to various drapery types
- Sub-carrier types will be determined by the style of draperies. Please specify the sub-carrier style when ordering, Ripplefold® available in 80, 100 and 120% fullness
- Ceiling mount installation available
- Wireless remote and wireless battery-powered wall mount controls are available and no electrician needed

MOTOR:

- Glydea™ 60e
- 5 year international warranty
- International certifications
