

Atelier Carpet

EASY FINISHING OPTIONS

MACHINE SERGED: STANDARD FOR ATELIER CARPET

A serged edge that forms a continuous wrap of yarn around the edges of the rug. QUICKSHIP! Area rugs ship 10-14 days from receipt or order on instock goods.

HAND SERGED

This finishing shows less of the yarn on the face of the rug. Approximately 5 weeks to fabricate from the time order is placed on in stock goods.

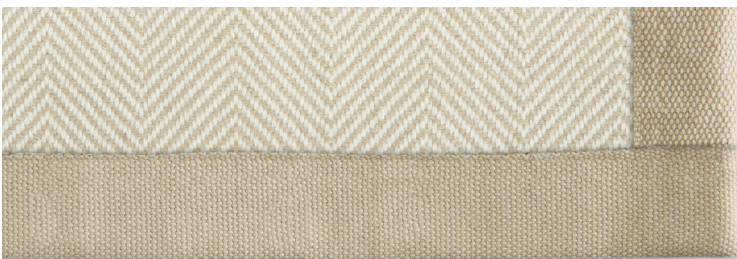

MODERN EDGE

A discreet and low profile serged edge with a sleek look.

MITERED CORNER (HIDDEN STITCH)

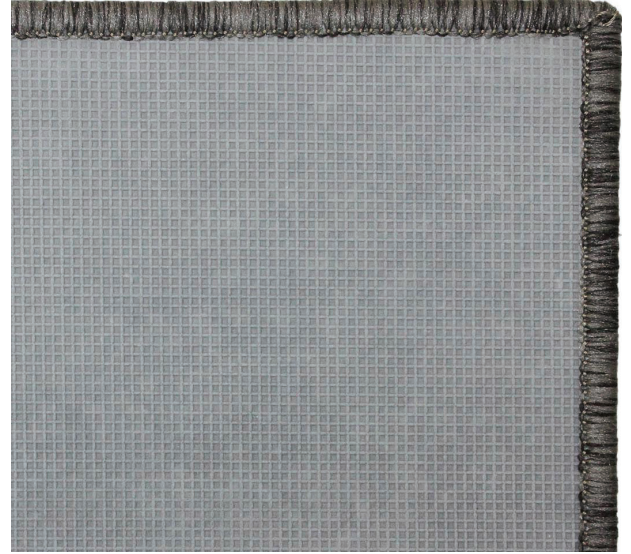

Corners are fabricated to resemble the corner of a picture frame with a top (visible) stitch.

FOLDED CORNER (TOP STITCH)

The finishing material is folded over at the corners with a top (visible) stitch.
