2'x2'

8'x10' CAD

A foundation of beauty for Lee Jofa's 200 Celebration textiles, this design is hand knotted with 100% silk. The cut pile is uniquely hand finished to create increased dimension, luster and simulates ribbing for a more relaxed appeal. Its exceptional softness and subtle texture are produced by the artisan's hand.

Not recommended for high traffic areas like hallways, wet areas such kitchens or under dining room tables. Suitable for light to moderate traffic areas: secondary rooms such as bedrooms and formal living areas.

Carpet is not guaranteed to match photographic representation.
