COLOR BOOK
PET YARN

[kravetcarpet](http://kravetcarpet.com)

Introducing our signature worry free collection from Kravet Carpet in which family, pets, outdoor living, and luxury go hand in hand. Rugs are handmade of 100% high-performance P.E.T yarn giving them durability, fade-resistant color and softness.

Eco-friendly, this polyester (P.E.T.) fiber is created from recycled plastic bottles. It naturally has a wool-like texture and sheen. Great for stylish living areas, entryways, kitchens, bathrooms, as well as covered outdoor spaces.

The collection includes diverse qualities for all design needs. The hand woven patterns embody a low sheared distressed sensibility to ultra-soft shags with a global vibe. The hand tufted quality is sculpted with intricate blends of fine cut and loop texture that allow more formality to a living area.

Allow your imagination to go wild by creating your very own signature pattern using these qualities as long as you stay within the color palette. Our experts will guide you through the process and our artists will provide you with visuals based on your inspiration.

Custom Color and Size Available. Choose from 80 Standard Colors. Max Size: 14x20. Strike Off in 4-6 Weeks, Rug Production in 10-12 Weeks.

CARE

- Regular vacuuming, brush lightly with fresh or soapy water, or spray with a hose.
- Scrub lightly as excess scrubbing can cause fuzzing/pilling.
- P.E.T. rugs can hold in moisture if not dried after complete saturation. If your P.E.T. rug is outdoors and becomes fully saturated after rain, please hang to help dry.
- Do not machine wash or dry.
