Tencel® is a branded fiber from Lenzing, made from the bark of a Cyprus tree. It is used in all types of product. The fiber's formation is closer to bamboo or banana silk, behind viscose. It's properties enhance cleanability, therefore is now used widely.

The design of this product is licensed to Kravet, Inc. and is the property of Malene B Custom Handmade Carpets LLC, and may not be reproduced, copied or sold by any other party without permission. Natural irregularities, color variations, weavelines and striations may appear in this carpet. These are inherent characteristics and are not to be considered defects. Professional cleaning only. Carpet is not guaranteed to match digital representation.
