

DIVAN SOFA

DG-50838

Coinciding with the launch of the Donghia Furniture Company, the Divan collection was originally introduced in 1984. Pulled from the archives, the iconic Divan sofa has been reintroduced. With its soft lines and over-scaled appearance the Divan sofa is characteristic of Angelo Donghia's furniture designs. The sofas' simple shape, defined by welt and upholstery details allows for greater versatility within various design spectrums.
