

## ETHER MIRROR DG-83750

Hand-made Venetian mirror with antiqued silvering and hand-beveled edge details. The center mirror panel has a light antiqued finish along the perimeter. The outer mirror tiles have a darker antiqued finish.

Antiquing is done by hand; each mirror will have its own individual markings. Further oxidization may happen over time.

## DG-83750 ETHER MIRROR

60"W x 1.5"D x 52"H

Hand-silvered clear glass in an antiqued finish with a black painted wood back in a matte finish.

This mirror comes standard with wood backing reinforced with steel tubing and hanging holes on all six sides, allowing it to be hung in any direction at 60 degree rotations.
