

FIFTYFOUR DAYBED

DG-53500

The FiftyFour daybed is an homage to the renowned nightclub Studio54 in New York City. Much like the club, the FiftyFour Daybed is sleek, and glamorous, and adds sensuality to any interior. Angelo Donghia was a frequent club-goer amongst other 1980s icons such as Diana Ross and Liza Minelli, both of whom also happened to be design clients of Angelo.
