100.5"W X 48"D X 30.5"H
16"SH

COM: 17 Yards Plain Goods
COL: 306 Sq. Ft. Full Hide

Fully upholstered sofa/chaise with tight partial back, tight seat, three loose pillows (one large at 38"W x 27"H and two small at 27"W x 27"H), and plinth feet. Comes standard without welt. Available in all standard, premium, and metal finishes on maple.

Sofa is constructed and shipped in one piece. We recommend railroading the textile to avoid seams across the deck of the seat. Please note the seat tapers so when using striped fabrics we do not recommend applying the stripes along the length of the seat. Due to the unique shape of the seat, there will be a seam running parallel to the base on the back of the sofa unless 59"W fabric is selected.
