

STONE MIRRORS

DG-83650

A set of handmade Venetian wall mirrors with antiqued silvering and wide hand-beveled edge details. The large mirror has a light antiqued finish along the perimeter with a 1.5 inch thick beveled edge and a 1 inch thick wood backing. The small mirror has a dark antiqued finish along the perimeter with an inch wide beveled edge and a 3/4 inch wide wood backing.

Antiquing is done by hand; each mirror will have its own individual markings. Further oxidization may happen over time.
