LEATHER

- COL is not offered on Kravet Edge.
- LB Value Leathers include a limited selection of aniline leathers available on Chairs, Barstools and Counter stools. They are aniline dyed corrected and protected natural leathers. Good hand. Most natural markings hidden, more uniform color. Cleaning: Code P. Resistance to fading is high. Average Hide Size: 48 sq. ft. • \$30 per sq. ft. retail. "LB" Value Leathers are applied with as few seams as possible, however depending on the applications and/or the size of the area to be upholstered, seams will be included and unavoidable.
- "LB" Value Leather available:

STANDARD CUSHIONS**EDGE HIGH RESILIENCY FOAM SEAT**

High resilience foam core 1.5" soft cell foam wrapped in non-woven ticking.

EDGE BLEND DOWN BACK

Blend of 75% fiber and 25% down (95% - feather, 5% down) in a non-woven casing.

UPGRADE CUSHION**SPRING BLEND DOWN SEAT**

Core of spring coils encased in foam and surrounded with a mixture of recycled fiber, duck down and duck feathers in a cotton casing.

KRAVET EDGE STANDARD QUALITY FEATURES:

1. Frames are 7/8" kiln dried laminated hardwood.
2. Standard seat cushion is high resiliency foam core wrapped in 1.5" thick soft cell foam wrap in a non-woven ticking.
3. Standard back pillow is blend down featuring a blend of 75% fiber and 25% feather mixture of 95% duck feather goose & 25% down in a non-woven casing.
4. Kravet Edge features sinous steel springs or webbing.
5. Fabrics are applied up the bolt in a flow match method for the most pleasing match.
6. Welt is applied straight except when fabric types dictate bias. Contrast welt is always bias.
7. Seat decks are denim covered.
8. TB117-2013 is the standard fire code.
