

## CUSHION OPTIONS

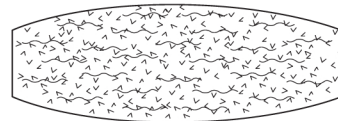

### STANDARD CUSHIONS

**SPRING FIBER SEAT**  
Standard: Custom & Studio

A core of individually pocketed spring coils encased in foam and surrounded by layers of 100% polyester fibers that are channelled to prevent shifting and encased in a down-proof ticking bag. **Medium to firm support, requires periodic turning and care.**

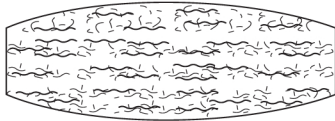

**BLEND DOWN BACK**  
Standard: Custom & Studio

A blend of 50% (25%/75%) duck down and duck feathers and 50% polyester fibers channelled to prevent shifting, in a down-proof ticking casing. **Soft - requires regular fluffing.**

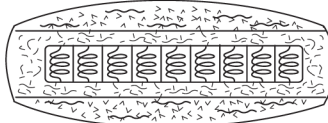

### UPGRADED CUSHIONS

**FIBER BACK**

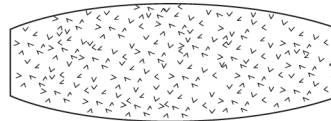

100% polyester fibers, channelled to prevent shifting in a down-proof ticking casing. **Medium support.**

**SPRING BLEND DOWN SEAT**

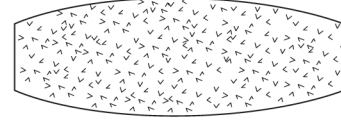

A core of individually pocketed spring coils encased in foam and wrapped with a channelled layer of 50% polyester fibers and 50% (25%/75%) duck down and duck feathers in a down-proof ticking case. **Medium support - requires turning and care.**

**PURE LUX SEAT**

A complete blend of 75% duck feathers and 25% duck down in a channelled down proof ticking bag. **Very soft, beauty wrinkles, requires fluffing.**

**PURE LUX BACK**

A complete blend of 75% duck feathers and 25% duck down in a channelled down proof ticking bag. **Very soft, beauty wrinkles, requires fluffing.**
