

kravetsmart “S” STYLE CUSHIONS

STANDARD CUSHIONS

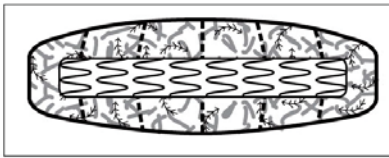

Standard Eco-Smart Seat Cushion
Soy based foam encased with feathers and recycled fibers in a cotton case.

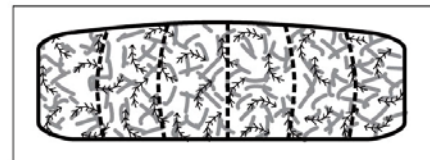

Standard Eco-Smart Back Cushion
Mixture of 80% recycled fibers and 20% duck feathers and goose down in a cotton case.

UPGRADE CUSHIONS

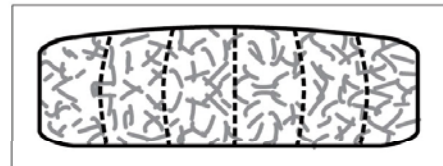

Spring Blend Down Seat
Core of spring coils encased in foam and surrounded with a mixture of recycled fiber, duck down and duck feathers in a cotton casing.

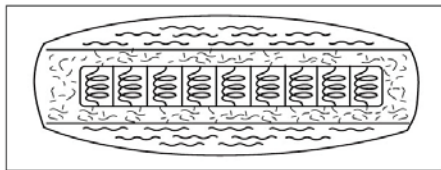

Blend Down Back
Blend of 50% (25%/75%) duck down and duck feathers and 50% 10 polyester fibers channeled to prevent shifting in a cotton casing.

Eco-Smart Fiber Seat Cushion
Soy based foam and recycled fiber in a cotton casing.

Eco-Smart Fiber Back
Recycled fiber in a cotton casing.

Spring Fiber Seat
A core of individually pocketed spring coils encased in foam and surrounded by layers of 100% polyester fibers that are channelled to prevent shifting and encased in a down-proof ticking bag.
