HAVERLAND CONSOLE

The Haverland Console brings a refined yet relaxed sensibility to any space. Framed by delicately carved leaf detailing, four drawers with metal ring pulls offer practical storage, while its open base keeps the silhouette feeling airy and pleasing when viewed from the side. Combining craftsmanship with versatility, this console can be used in many spaces: In an entry hall, with storage for gloves or dog leashes; in a dining room as a serving table with storage for flat ware and placemats; or as a bar.

DIMENSIONS

34"H x 46"W x 20"D
