MATEO DRINKS TABLE (BLUE)

A generously sized drinks table that also works well as a small side table for a low sofa. Based on mid-twentieth century designs and available in three vibrant colors.

The Mateo table's inset stone top is crafted of marble, a material with unique and handsome variations. Each piece will have unique visible pressure points, quartz lines and earth markings, a precious record of its natural history.

DIMENSIONS

19" Diam. x 20.5" H
