## Adele Side Table

Slim and nimble, like Fred Astaire's sister and vaudeville partner, Adele Astaire, this table works where a smaller side table is needed. Its Macassar ebony finish with faux painted bone detailing gives the table a modern edge, while its shelf adds functionality.

20"W x 16"D x 28"H.

- Hand-carved local hardwood.
- Hand-finished Macassar ebony with faux painted bone detail.
- Imported.
