ALBERO DRINKS TABLE

This magical little table is inspired by the 18th century Rococo art movement and truly embodies the joyful decorative nature of the time. Stylized vines, twigs and rock-like motifs gleam with a lustrous hand-gilded finish. The smooth marble top adds beautiful contrast. The perfect addition to a living room, it sits at the right height to hold a drink and only takes up the space it needs to.

DIMENSION

14"W x 10"D x 19"H.

ADDITIONAL INFORMATION

Hand-carved hardwood base with hand-applied gilt finish.
Oval-shaped travertine marble top.
Imported.
