## Asta Side Table

Wowed by an unusual Northern European antique center table that Bunny saw in a prominent antique shop, she set about creating a similarly styled side table designed for today's modern living. The tabletop of radiating cherry wood veneer in a medium brown stain sits atop a stepped pedestal base divided by ebony gadrooning, all resting on bun feet.

32" diam. x 28"H.

- Hand-applied cherry wood veneer finished in medium brown stain.
- Ebony gadrooning details and bun feet.
- Imported.
