BABE COFFEE TABLE

Our Babe coffee table has a contemporary shape anchored by traditional details. The white, marble top is elevated above the ground by a brass frame, squared legs joined together by a cruciform stretcher topped by a pretty finial. Oval coffee tables are useful, occupying a satisfying length in front of a sofa, but permitting those sitting on the sofa ends to more easily get up and walk around.

DIMENSION
54"W x 30"D x 18"H
