## Black Beauty Side Table

From the meticulous detailing to the curvaceous columnar pedestal, this reproduction table is faithful to the refined classical detail of the original. Representing one of our most sophisticated architectural styles, it's handsomely appointed, handcrafted of select hardwoods, hand finished in an ebony stain and painted faux bone detail.

28" diam. x 28"H; 15" diam. base.

- Hand-carved hardwood.
- Hand-finished in an ebony stain and painted faux bone detail.
- Imported.
