## Bottoms Up Drinks Table (Marble)

In early 1900s New York, tables like this could be found in cabarets all over the city. Built to last yet another century, the open-framed tripod base is handcrafted of wrought iron and topped with a marble or lacquer-finished circular top.

11" diam. x 18"H.

- Hand-crafted wrought iron base.
- Crema Marfil marble top reminiscent of Travertine marble, or hand applied beige eggshell or silver eggshell lacquer finished wood top.
- Imported.
