ELIZA BAR TABLE

Bunny loves for guests to help themselves toa drink when they arrive, so she always sets a full-bar with ice and collected-but-mismatched glasses. Our Eliza Bar Table, with its contemporary take on a classic wave apron, is wrapped in traditional reed. It offers a large, durable stonetop as a work surface, as well as a reinforced shelf below to keep extra bottles and accessories close to hand.

DIMENSIONS

40"W x 24"D x 31.75"H
