## Ellsworth Bed

Canopy beds are wonderful in rooms with high ceiling. Though Bunny believed they are even better in a room with low ceilings because they make the room look taller. This heroic bed with Greek Key meanders is made of hammered metal with hand-applied wrought iron finish.

80"W x 83.5"D x 91.5"H.

- Hand-crafted hammered metal.
- Wrought iron finish.
- Handcrafted in the USA.
