GARBO BED

This bed refines early 20th century interpretations of tester that switched glass or mirror for wood. Our version favors lucite, pairing cylindrical posts and spherical finials with a painted white wood frame and tester. (The headboard can be upholstered.) The bed draws inspiration from one that belonged to the eccentric Lord Berners, who hung his with swags of cream-colored fabric.

DIMENSION

King: 83.5"W x 87"L x 92"H

Queen: 66.75"W x 88"L x
92"H
