GWENDOLEN SIDE TABLE (WHITE)

Our Gwendolen table cuts a graceful figure with her 3 pillar legs and round feet. Drawing from a 1940s design it livens a room with the suggestion of movement in the lines of the legs. The durable PU lacquer is easy to maintain, making it a practical choice that embodies interesting design.

DIMENSION

30" diam. x 28" H

ADDITIONAL INFORMATION

3-pillar legs with square capitals and round feet connected by a 3-arm pinwheel stretcher
Durable lacquer finish with PU Coating in black or white
