ISABELLA SIDE TABLE (OAK)

The charming aprons often found on antique lacquerwork tables and library cases inspired the apron of our new Isabella Side Table, whose curved-bow apron elegantly transitions into its legs. A refined drawer box sits atop, with two pulls. The whole is covered in a wonderful Oak finish which manages to be both glamorous and understated.

DIMENSIONS

28"H x 32"W x 18"D

ADDITIONAL INFORMATION

One drawer with two brass knobs.
