## Kingsley Drinks Table

Drawing inspiration from an antique quill table, our Kingsley Drinks Table has a traditional Anglo-Indian form made modern with burlwood veneer and an ebony and faux painted bone finish. Strikingly graphic and a bit masculine, this table would be right at home in a Living Room or Library.

12" sq. x 20"H.

- Hand-carved local hardwood.
- Hand-applied burlwood veneer and ebony and faux painted bone finish.
- Imported.
