PAXTON TABLE (BLACK)

Inspired by the thoughtful simplicity of Tommi Parzinger, our Paxton table is the perfect size to nestle into any living room. The brass details that fleck the simple geometric pedestal echo the painstaking processes that Parzinger employed. Finished in a PU lacquer, this table is as functional as it is beautiful, and can handle everyday family life with ease. Available in black or white.

DIMENSION

40" diam. x 16.5" H
