## TAMBOUR COFFEE TABLE

A sleek yet casual coffee table inspired by the Aesthetic era's interest in the play between concealment and see-through. Our coffee table leans into this style with a dense weave pattern alternating with an open, straight-lattice across its double-roll, tambour form. Its overall circular form helps visually relieve a room of rectangular furniture; sometimes you don't want to take sides.

### DIMENSION

17"H x 36"W x 36"D

### ADDITIONAL INFORMATION

— Natural rattan is suitable for use indoors or on a covered porch, loggia, or veranda.
