## Workhorse Desk

Hard at work since its inception in the mid-1700s, our draftsman desk boasts a durable surface of handcrafted hardwood and primavera veneers. And while the cantilevered design, brushed steel legs and divided pencil drawer may be 20th century-inspired, the desk is decidedly 21st century: the grommets open reveal convenient wire management.

60"W x 35"D x 35"H; work surface: 29"H.

- Handcrafted hardwood.
- Hand-selected primavera veneers will vary in grain, making each table unique.
